#### KPFK SWITCHBOARD

(818) 985-2711

9 AM to 5 PM, Monday - Friday

The General Manager Search Committee will be reviewing resumes and interviewing candidates during the month of February. The Search Committee is composed of two representatives of the KPFK Local Advisory Board, two members of the paid staff, and two members of the programmer and volunteer core of the station along with David Salniker, Pacifica's Executive Director. A March 1st start date is currently being projected for a new manager.

KPFK's Winter Fund Drive gets underway on February 27th and will conclude on International Women's Day, March 8th. A lot of great programming is in store. A full schedule will be included in next month's Folio.

Many of you received a letter from KPFK recently updating the current status of Pacifica and KPFK's fight with the FCC. In that letter I talked about Jesse Helms' amendment to a senate bill which went into effect on January 1, 1989. The law instructs the FCC to make sure that "obscene" and "indecent" materials are not on the air at any time and closes the supposed "safe harbor" that last year was reserved from midnight to 6 am. As mentioned in the letter, the implications are far reaching and pose serious questions about the integrity of the First Amendment. This law is not just a question of obscene or indecent language. This sets up the FCC as our national morality board with the license to purge whatever they see fit.

Before Senator Helms introduced his measure, he asked the Heritage Foundation for legal advice. If you don't know, the Heritage Foundation is an ultraconservative "think tank." Most of us don't want the Heritage Foundation deciding what we have the freedom to read or not read, listen to or not listen to, see or not see. Senator Helms' law is another threat to our freedom — your freedom to hear diverse opinions and KPFK's freedom to broadcast them, and Pacifica must and will challenge this latest censorship attempt in court.

The struggle to breathe life into the First Amendment continues with Pacifica and KPFK leading the way. Your support in 1988 helped us win one battle, your support in 1989 is vital if the effort is to continue. We hope that you will take the time and interest and send in a contribution to KPFK and Pacifica to support our efforts.

Subscribe early or send in a contribution.  
Your support is a vote for freedom of speech.

Pacifica's Program Service, otherwise known as "the archives," is moving into the KPFK building. That means that we have to clear out tons of stuff in the building to make room, so ON SATURDAY AND SUNDAY FEBRUARY 4TH AND 5TH KPFK WILL BE SPONSORING AN AS-IS RUMMAGE SALE FROM 10AM TO 2PM. Come one, come all, on Saturday and Sunday. This is a great way to pick up some pretty good audio equipment among other things and support KPFK at the same time. We've got a lot of stuff that must go so that we can prepare our second floor for construction, so no reasonable offer will be refused. Some of the items that will be for sale include speakers, tuners, amplifiers, turntables, wires, large speaker cabinets with horns, electronic parts and test equipment, one Bohn Rex rotary mimeograph machine with electronic stencil maker, small mimeograph machine, HIX automatic letter press, paper tape packaging dispenser, manual and electric typewriters, 2 Farfisa electronic key boards, an electric guitar and ampt to name just a few. Our address is 3729 Cahuenga Blvd. West in North Hollywood. So come on out February 4th and 5th from 10am to 2pm.

The Pacifica Foundation provides the KPFK mailing list to an organization which in turn rents or exchanges, on behalf of the Foundation, mailing lists of other non-profit organizations. If you object to having your name and address used in this way, please write to our Subscriptions Department, enclosing a recent Folio label, and we will omit you from our exchange list. If your request to have your name and address not given to other organizations has already been entered in our computer, the letters "N" will appear on the top line of your mailing label, to the right of the expiration date.

FEBRUARY 1989

## PROGRAM HIGHLIGHTS

February is Black History Month. KPFK will be presenting several special programs.

The greatest scholastic crime against humanity was neglecting to include the whole story of Afrikan peoples in the development of the world. On **February 4th & 5th Saturday & Sunday, 9:00 AM to Midnight (both days)**, Dr. Kwaku Person-Lynn will present **Afrikan Mental Liberation Weekend**. Some of the greatest universal Afrikan scholars, thinkers and orators will attempt to set the record straight with information that most major universities and institutions of learning fail to recognize and/or include in their course of studies. This is not just a weekend of learning and mind expansion for one group of people, but for all those interested in learning more than what the limitations and biases of Western scholarship have to offer. Included will be an in-depth look at the Rastafarian culture in Jamaica. Upon listening to this Special, you will never think the same way again.

**Thursdays February 9, 16 & 23 7:30 - 8:30 PM**

**CONGO SQUARE, NEW ORLEANS**-We will present three one-hour specials of live performances in honor of Black History Month and the 20th anniversary of the New Orleans Jazz and Heritage Festival. Digitally recorded at the Congo Square stage of the 1988 festival, these programs will present live African, Caribbean and Latin music showcasing an extraordinary lineup of artists representing a cross-section of the rich influences of African music on American culture.

Offering his unique insights into the world of music is host **Taj Mahal**, internationally known as one of the world's foremost jazz musicians. His blues-based music is drawn from a variety of styles, including Caribbean, jazz and African traditions. Mahal is also a respected lecturer and teacher.

*Congo Square, New Orleans* is a co-production of Murray Street Enterprise (New York), WPFW/Pacifica (Washington DC) and WGBH radio (Boston), and is distributed by National Public Radio. The producer is Mary Drayton (WPFW), with Steve Rathe and Bob Lyons. The executive producer is Marita Rivera of WGBH (former manager of WPFW).

Look for other Black History Month features throughout February's program listings.

### FOLKSCENE ANNIVERSARY

On Sunday, February 12, *Folkscene* will begin their 20th year of providing the KPFK audience with the best folk music on Southern California radio. Last month their live performances from Studio D returned with a visit to our newly-renovated studio by guitarist Chris Proctor (see photos near 2/12 listing). Also in February, Roz and Howard Larman will be presenting a series called *Radio Ballads* on the Tuesday editions of *Folkscene*. This series was written and produced by Ewan MacColl, Charles Parker and Peggy Seeger.

### OLIVER NORTH'S TRIAL

Pacifica's Larry Bensky will be going to Washington DC to cover the trial of Oliver North. If the trial goes as scheduled, Bensky's reports will air on **Mondays**, at 9:00 AM for the duration of the trial. (In that event, *Report to the Listener* and the Black History Month *Read All About It* programs will be aired on Thursdays at 9:00 AM.)

### THE FUND DRIVE APPROACHETH

KPFK's Winter Fund Drive starts February 27th. The program listings for February 27 & 28 will be included in the March Folio.

Sometime in the early 1980's, *In Fidelity* (KPFK's weekly program for audiophiles and music lovers, aired Sundays at noon), began to be enriched by frequent on-air phone calls from a solemn-sounding man who always had useful advice and opinions, especially on cassette recordings and budget-conscious audio equipment. He was eventually invited to become a regular co-host with me. At the end of 1988, Will Hammond moved away to pursue his (non-audio) career at the University of California at Davis. He will be missed, not only by our listeners but by his forlorn partner, who hoped never to do a program alone again. (Will expects to participate still from time to time by phone or tape.)

Thank you Will, for years of understanding friendship, hard work and good advice.

Peter Sutheim, lone producer of *In Fidelity*
